Beijing International Coin Exposition

Dear Sir or Madam,

On behalf of the Organizing Committee of Beijing International Coin Exposition, we would like to extend our warmest invitation to you to join us for this year's spectacular show.

BICE 2026 will be held on October 30th to November 1st this year at China National Convention Center, the same venue where we gathered for the joy of numismatics in the past decades.

The 2025 edition attracted 323 exhibitors from 21 countries and regions, establishing a platform teeming with business opportunities. The Exposition welcomed 48,000 on-site visitors and achieved a total transaction volume exceeding RMB 30 million. The bustling crowd and active transactions created numerous sales prospects.

As a large international trade event for coins, banknote, medal collecting and related products, BICE has been successfully held for 29 sessions so far. To make it distinctive and meet international standard, China Gold Coin Group Co., Ltd., China Banknote Printing and Minting Corporation and China Numismatic Museum will jointly work to popularize and publicize coins, banknotes and derived products on all fronts. We strive to inherit and develop numismatic culture, carry out international exchanges and provide a high-quality platform for mints and dealers to display and sell your products and expand business opportunities in the vast Chinese market. We would like to build a bridge of friendship for numismatic enthusiasts all over the world.

We look forward to seeing you in Beijing! Let us gather in Beijing and enjoy the unique charm of coin cultures at Beijing International Coin Exposition!
